

# Melbourne Study Tour 2011

## Introduction

The study tour to Melbourne, Australia, was held on 22 October to 31 October in 2011. This was our fourth study tour of the school to visit Melbourne and our sister school, Princes Hill Primary School (PHPS). Twelve students (7 P.6 students and 5 P.5 students) were chosen to be the school representatives of the tour. Principal Chan and 2 teachers led the team for the visit.

From the overseas exchange program, we wish to expand students' horizons and enhance their competitiveness so that they can learn to "think globally, act locally". The authentic and practical environment creates language needs for students to use English to communicate actively on a daily basis, result in improvement in English. For teachers, the program helps to enrich the pedagogies and competence levels. Thus, this is a golden opportunity for our students and teachers to learn and develop.

*Our first day of school was amazing. We started our day with a small assembly with our Aussie buddies and the P.5 and 6 students. The rest of the day is followed by project learning activities. The Aussie buddies needed to design their dream houses in groups. Our students joined in their discussions and helped with the designs.*

*Our second day of school was challenging but yet interesting. We started our day with an assembly with all the students in PHPS. The students in PHPS also presented their projects such as fashion design, architectural design and hip hop dancing.*

## **5. Skype with LHT students (25.10.11)**

*In the afternoon on the second day, we had a Skype with teachers and classmates form LHT. They gave us a surprise that some of our parents came to LHT and joined their Skype with us! *The journey of this Melbourne study tour finally came to the end. We prepared four performances during the farewell ceremony. The first one was a clarinet ensemble 'The Moon Represents My Heart'. The second performance was a violin duet by called 'Triumphant Song'. The third one was a recorder ensemble. The song was 'Spring'. The last performance was a group singing. The song was 'Shining Friends' which means that all the PHPS buddies are our shining friends. We hope our friendship can last forever!*

## **School lives**

### **1. Putonghua Lesson(25.10.11)**

*After lunch on the second day, Miss Lee taught a Putonghua lesson to 20 PHPS students. It was about some vocabulary items related to the school, as well as talking about Mid-Autumn Festival. The students could memorize the pronunciation of the Chinese words well. At the end of the lesson, they learnt the song "The Moon Represents My Heart". Everyone enjoyed the lesson. The students were especially interested in the traditional Chinese lanterns!*

**2. Skype Conversation with PHPS(25.10.11)**

### 3. Cooking Lesson (25.10.11)

*On 25th October, the day was followed by a cooking lesson prepared by 3 parent helpers from PHPS. We learnt how to make two kinds of Australian food – lamington and sausage roll. Peeling and cutting the onion made us cry, but we had lots of fun! The food we made by ourselves was very delicious! We shared the food with our buddies afterwards. We all like Australian food very much.*

## **Outing activities**
