## *Hosting Princes Hill Primary School 2011*

### **Introduction**

As Confucius said, 'Isn't it great having friends to visit us from distant places?', we are so delighted to host our friends from our sister-school, [Princes Hill Primary School \(PHPS\)](#) for the fourth time. Twelve students and their teachers, Ms Lofhelm, Ms O'sullivan and Mr McNeill coming from Melbourne, Australia are staying with us during October 9<sup>th</sup> to October 17<sup>th</sup>. Various activities are organized to welcome them and we do wish that this invaluable opportunity can broaden both of our students' horizons, promote mutual understanding between the west and the east and enrich both of our learning and life experiences.
