### My favourite season

My favourite season is winter, because I can play snow and make snowmen. The weather is cold and dry in winter.

I build a snowman in Japan with my brother and sister. And we have a snowball fight.

I feel very excited because it is my first time playing snow.

### My Favourite Season

My favourite season is autumn, because it doesn't rain too much and I can go to the park to play. In autumn, it is cool but very windy.

In autumn, I like to go to the park and ride a bicycle with my family, but I like to go to the shopping centre most because there are many amazing shops, for example, shoe shop, supermarket, bookshop and pet shop.

I feel very happy in autumn because I can do many fun things. What about you? What is your favourite season?

2D Lui Yan Pui

### My favourite season

My favourite season is autumn because the weather is cool and dry.

I like hiking with my family during that time. Tai Mo Shan is one of our favourite places. We would also spend time eating dim sums in a Chinese restaurant there.

We feel blissful because we can eat BBQ pork buns, siu mai, shrimp dumplings and chicken feet. They are all very yummy!

### My favourite season

My favourite season is autumn because the leaves change color and fall from the trees. The weather is nice. Sometimes, the sun shines brightly.

In autumn, I enjoy going to the mountain with my family and friends. We like to play the kite and go hiking.

Autumn makes me feel happy and excited. It is time for fun and making wonderful memories with people I care about.

### My favourite season

My favourite season is spring, because everything is full of life. The weather in spring is very pleasant, not too hot or too cold, and the air is filled with the fragrance of flowers.

In spring, I like going to the park for a picnic with my family. We bring delicious food, find a patch of green grass to lay out our blankets, and enjoy the spring sunshine and beautiful flowers.

Spring makes me feel very happy and relaxed. I like to see flowers blooming and hear birds singing, which makes me happy.
