Chinese New Year is on 17th February. 2026 is the year of the Horse.

At Chinese New Year, I eat sticky rice cakes, lotus seeds and pistachio. On the second day, we watch the wonderful fireworks and parades.

I love this festival because I can get red packets from my relatives when I visit them. Also, I go to the flower market with my family to buy peach blossom to decorate our home.

In my Chinese New Year holiday, I do a lot of things with my parents. For example, we visit my grandfather and grandmother. We play basketball and video games with my friends. We watch a movie called Goat in the cinema and we watched a lion dance on the ground floor of our home.

I like Chinese New Year. I get so many red packets. I feel very excited and awesome.

I went to Japan with my family. First, I went to play the forest adventure. There were many nets on the trees. It was so exciting. And, we ate crab and beef too. It was so yummy. I like Japan very much.

Hello! Today I am in Huizhou. I am going to my grandparents' home. My grandparents are my family. We have a reunion lunch. After it, I eat a lot of sweets and I play a lot of games and video games. That night, I still stay at my grandparents' home because I want to watch the fireworks. My mum wants to play too. She buys a lot of fireworks. We like fireworks but my brother doesn't like them because they think fireworks are scary. The next day, I am in Shenzhen. I am going to go skating and have snowball fights.

I like Chinese New Year because I like to stay with my family.
