

A Special Day

Today, I go to Beijing with my ice-hockey team for competition. We spend three and a half hour on the plane to Beijing.

When we arrive there, we go to check in at the hotel. Then we go to the ice rink. After finishing the first match, my teammates take out a birthday cake and sing Birthday Song to me. There are many food and drinks. The food tastes good.

I am happy to have my teammates to celebrate my birthday. Hopefully, we can celebrate each other's birthday next year too. It is very memorable to me.

My first Bauer Korea Cup trip

This is my first time to join the Bauer Korea Cup. I am very excited. First, I pack my suitcase and ready to take the Hong Kong International Airport.

Once we arrive at the Marinabay Hotel. I feel hungry so I go the E-mart to shop for banana juice and cheese wrap.

On the second day, I take the van with my teammates to Gimpo Waves Ice Rink. We start to do some warm-up exercises before the game.

Finally, we win the game. My mum and dad are so proud of me. I enjoy playing the game very much. I wish I can go to Korea again!

A Special Friday

Last Friday, I went to Cyberport Park with my family. It was a special day for us.

We flew a kite at the park. We failed many times at the beginning because of the small wind. The kite kept falling. But my dad and I didn't give up. We held the kite and kept running. Finally, the kite successfully flew into the sky.

After that, my mum and my little brother asked me to sit on the grass to wait for the sunset.

At last, we watched a wonderful sunset. What a special and lovely day!

My Special Picnic

On Sunday, I go to Jordan Valley Park with my family and friends. It is a sunny day and the weather is hot. We find a place that is under a tree and put down the tablecloth on the grass. We prepare a lot of food and drinks, such as sandwiches, peaches, cola and apple soda.

After we finish our food, Mina, Summer and I go to the playground. We play with a lot of things, such as the monkey bars and the slide. There are a lot of people. Suddenly, I notice that Mina is lost. Summer and I try to look for her together. But there is no sign of Mina. So I decide to call my mom.

At last, we find Mina in the sandpit. I learn that when you are in trouble, stay calm and ask for help. What a special day!

Seasons

I like all the seasons because different seasons have different weathers. The four seasons include Spring, Summer, Autumn and Winter.

In Spring, we feel warm and joyful. Flowers, trees and grass grow healthily.

In Summer, the weather is hot and sunny. I like going to the beach for swimming and playing with the sand. It is very fun.

In Autumn, it becomes cool and dry. Leaves fall out from the trees. We can collect the beautiful leaves.

In Winter, it is cold. I can wear my favourite clothes, skirts and leggings.

I learnt that each season carries its own beauty.
