

Chinese New Year

Chinese New Year is a joyful time in February. 2026 is the Year of the Horse. We write red couplets, go to the flower market, decorate the house and have a big family reunion dinner. We eat special food like sticky rice cakes and turnip cakes. I love getting red packets and watching the exciting lion dance with my relatives. It is a delightful celebration.

Mother's Day

Today is Mother's Day. After I wake up, I help mummy do housework, for example, hang up the clothes and vacuum the floor. Then, I give some flowers to my dear mum. She gets the flowers and feels so sweet. She is so touched. I promise I will study hard and get good marks to repay mummy's kindness and thoughtfulness.

Mother's Day

This Sunday is Mother's Day. Mummy receives a call from The Hong Kong Children's Strings. They ask me to attend an audition on this Saturday. It is a great honor for me. After receiving the call, mummy is overjoyed. The audition is very successful. The director recognizes my talent for violin. I think this is a priceless and unique Mother's Day present to her. I promise I will keep up with my good and hard work.
