Chinese New Year

Chinese New Year is a very happy festival. It is in February. Year 2026 is the Year of the Horse.

Every year, my family and I pack red packets to get ready for holiday and I write red couplets. My family and I go to the flower market to buy flowers and we decorate the house.

Yes! I like Chinese New Year because we have a family reunion dinner and we eat different kinds of Chinese food like spring rolls, sweets and many more. It is joyful and exciting because I can play ball and board games with my cousins. Also, we watch a lion dance. Then, I get red packets and best wishes from my relatives. It's so heartwarming. Everyone says "Gong Hei Fai Choy" and feels very delighted.

Mother's Day

Mother's Day is on 10th May, 2026. On Mother's Day, we have a happy family dinner together at home. There are three mothers - my mum, my grandma and my aunt. I give my mum a teddy bear shaped bouquet. My mum feels very happy.

In the future, I will always say "I Love You" to my mum to show my love to her.

Father's Day

On Father's Day, I went to the Science Museum with my family. It was a lot of fun. After that, we went to my grandparents' house. We played video games and had dinner together. I drew a card of my family playing happily together and gave it to my father. He said it was very special and gave me a big hug. I love big hugs. They always make me happy.
