

A Wonderful School Picnic

It was 4th November and it was the day of school picnic! It was sunny and hot. My classmates and I were excited to go to the picnic site (PLK Jockey Club Pak Tam Chung Holiday Camp).

We arrived there at about nine o'clock. We immediately put our bags at a corner and ran towards different facilities in the campsite.

The entire campsite was filled with laughter and chatters. "It takes so long until my turn", a child groaned. The stall was filled with bicycles and there was a long queue (as usual) beside it.

My friends and I went to a fun park in which no one discovered it. We played and chatted there the whole time until it was time to go.

We got back to school at three o'clock. All the students fell asleep on the coach on the way back to school. It was tiring! My body weighed like a thousand kilograms when I was walking! But it was such a happy and fun day.

A wonderful event during Nanhai trip

About two months ago, I went to Nanhai with my teachers and classmates. The weather was very sunny in Hong Kong at that time. We were all going to stay at Wanguo Yuanbao Hotel, the rating of which was four stars! I was so excited about the trip!

We went to Nanhai by coach. It was a bit boring inside. We arrived at Nanhai at about six o'clock. Then, we quickly had dinner there and went to the hotel for check in. My group was the only group that had three people in one room. They were my besties, Irvin and Harris.

We went to a lot of places during the trip, like the Watch Tower. We made Zhanhao Mud Chicken and more. But my favourite of all was going to the school visit. It was so special because it was my first time to take a tray and then take the food one by one in a school. It was unforgettable.

We returned to Hong Kong at about five o'clock. I felt wonderful and at the same time very meaningful because we had to take care of ourselves and we learnt a lot.

A Wonderful Event during Nanhai Trip

I had an unforgettable trip with my classmates in Nanhai from 30th October to 1st November. The weather was sunny during the trip. We stayed three nights in Wanguo Yuanbao Hotel. I shared a room with Isaac Poon.

We set off from school and took a coach to Nanhai. It was a long journey and we arrived there at about five o'clock.

We joined some interesting activities in Nanhai such as sightseeing at the Watch Tower, making Zhenhao Mud Chicken, visiting the Cantonese Opera Art Museum, and my favourite one is the school visit at Nanhai Foreign Language school because we could play VR, had an amazing science lesson and had buffet at the cafeteria. The food there was so delicious!

Event though I didn't want to leave, it was time to say goodbye. We went back to school at about five o'clock on 1st November. I felt good to be home but I'm looking forward to the next study tour. I want to visit Nanhai again because Nanhai is a fascinating city.

A Wonderful Event during the Nanhai Trip

We went to Nanhai from 30th October to 1st November. The trip was wonderful. While we were at Nanhai, the weather there didn't disappoint us. It was sunny. We stayed at a four-star hotel called Wanguo Yuanbao Hotel. The hotel room was gigantic.

The whole fifth grade gathered at the basketball court and went to the Shenzhen port by coach. After we passed the customs, we hopped on another coach to actually arrive at Nanhai. We arrived at Nanhai at about two o'clock.

There were a lot of activities including going to the Watch Tower, making the Zhenhao Mud Chicken, going to the Cantonese Opera Art Museum, school visit and a lot more, but the school visit was my favourite activity out of them all. The school was huge that it could fit a whole family of ogres. You could pick your own meal, play games including VR. The auditorium itself was probably bigger than my house!

After two days, it was the last day of the trip. We went back to Hong Kong and arrived at school at about five o'clock. This trip will definitely be remembered. If I could go there again in the future, I definitely would go there again because Nanhai has a lot of other places that I would like to visit.

A Wonderful Event during Nanhai trip

Our Exchange Programme to Nanhai was from 30th October to 1st November for three days two nights. The weather was cool and windy. We stayed in Wanguo Yuanbao Hotel during the trip.

We went to Nanhai by coach for two hours. At about five o'clock, we arrived at Nanhai.

We participated in many different activities. For example, visiting the Watch Tower, Cantonese Opera Art Museum, going on a school visit, making Zhenhao Mud Chicken... but my favorite among them was the school visit. The students there performed *Our happy school life* and *Fishman's Rhyme*. Both shows were fantastic! Next, the principal from two sides successively gave their welcome speech.

We experienced paper cutting art lesson in the school. It was very challenging but after drawing our beautiful pattern design directly onto paper and cut away the excess paper, the surprise appeared! Everyone felt very satisfied.

On 1st November at about five o'clock, we returned Hong Kong by coach. I think this was a meaningful and wonderful trip. I would like to visit Nanhai again in the future because there are a lot more feature places to explore.
