

Mother's Day

Happy Mother's Day to all mums!

Yesterday was Mother's Day. I gave mum a sunflower to express my love. I took her to her favourite restaurant — Genki Sushi. We ordered a lot of yummy sushi. We were stuffed. We had a joyful lunch.

When we returned home, I bought a sweet bun to my grandma. I wished her Happy Mother's Day. She was astonished and delighted. I hope we can celebrate Mother's Day every year.

Mother's Day

Mother's Day is in May. It's also my favourite festival. I do many things with my mother.

On that day, I cook healthy breakfast with my mother in the morning. There are a cup of milkshake, beans and steamed bread. The food is as delicious as a fabulous feast. She is glad to finish all of the food.

Then, I draw a nice picture to my mother. All family members are also included. She feels amused and gives me a big hug.

Third, I use my pocket money to buy some flowers for her. I say to my mother, "You are as gorgeous as a beautiful flower." She is very surprised.

All in all, Mother's Day is an extremely meaningful festival. I enjoy spending time with my mother in this incredible festival! I will study harder in the future to show my love to her.

Mother's Day

Mother's Day is on the second Sunday in May. It is a special day to thank our mums. This year, I also bought her a bunch of her favourite flowers and wrote a sweet card to tell her "I love you". After that, I helped her do the housework, such as tidying my room and folding the clothes. In the evening, we watched a warm movie together. My mum felt surprised and happy.

In the future, I will help her with more housework and study hard to make her proud.
